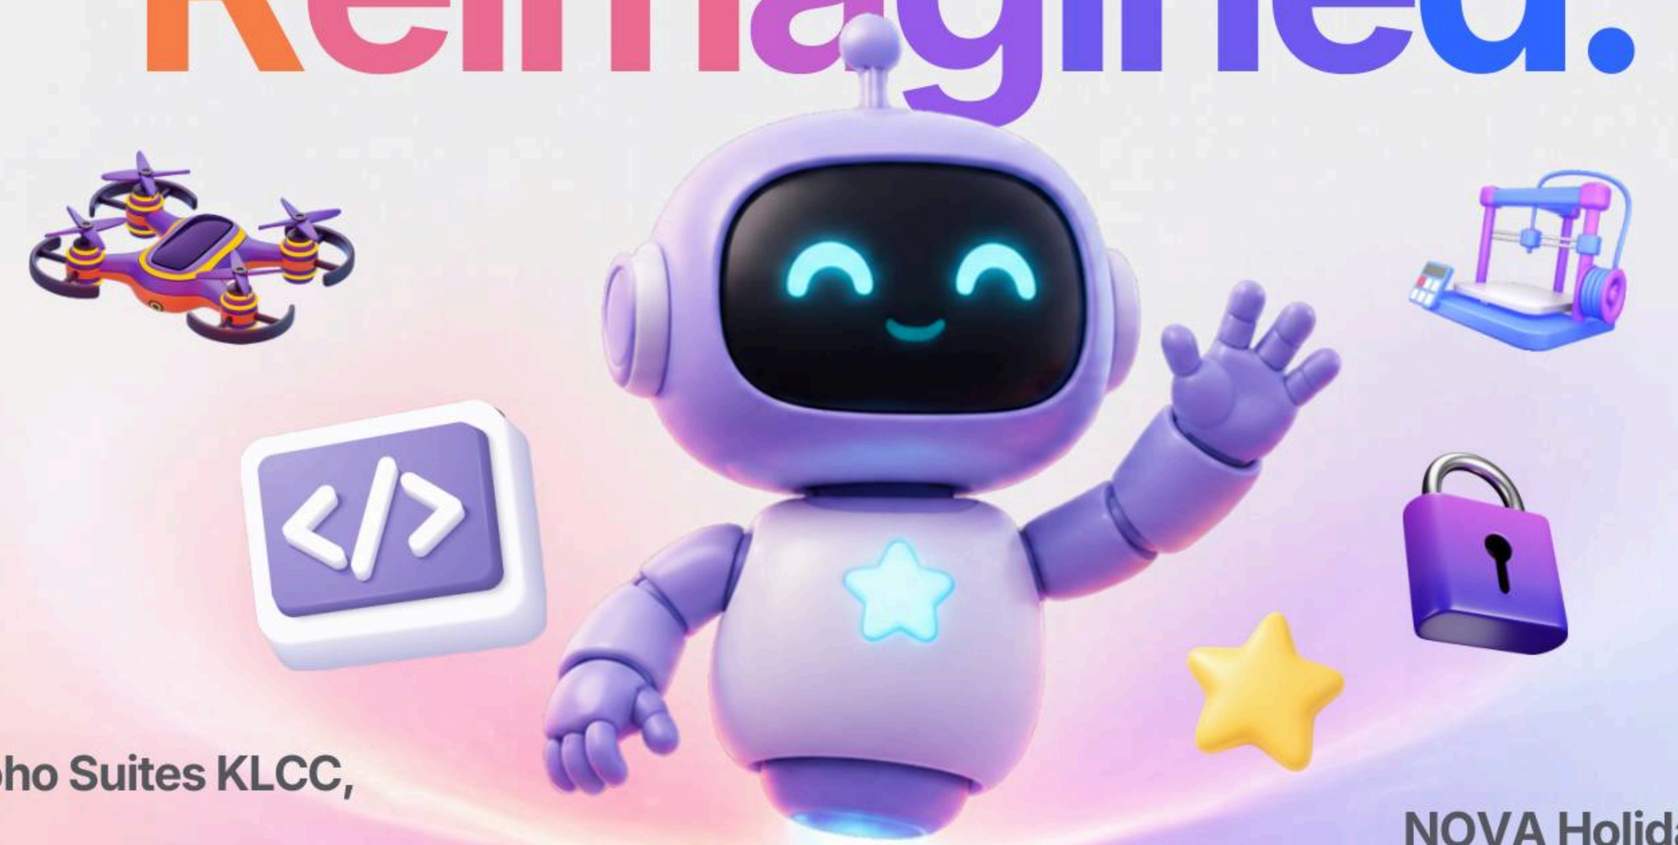
Screen time.
Reimagined.



Ages 6–15 · Soho Suites KLCC,
Kuala Lumpur

NOVA Holiday IT Camp 2026

This holiday, they'll be on a screen anyway.

Let's make it count.

~~Playing Minecraft~~ → **Coding their own games and worlds**

~~Just using apps~~ → **Writing real Python programs**

~~Clicking any link~~ → **Spotting scams and fake links**

They don't just learn. They make.

4 real things they made

Certificate & portfolio

All their work in one place

Peace of mind, built in.

Daily updates

News from camp in a parents' WhatsApp group.

Always accompanied

Younger kids are walked to the toilets.

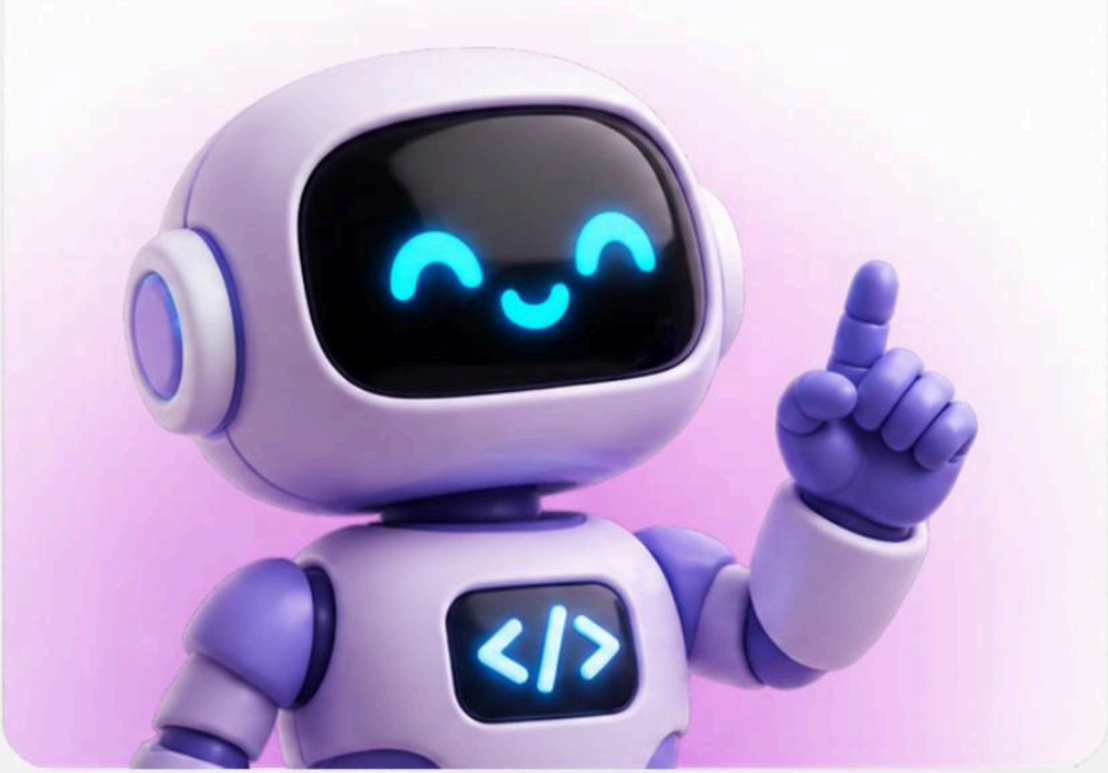
Simple drop-off

Under 10 with a parent.
10+ may come alone.

Snack break

Pack a snack. Water is provided.

Four days.
Four new worlds.



12

kids maximum
(Small groups)

2

lessons a day
with professional
teachers

10AM -1 PM

Mornings only,
afternoons stay free

KLCC

In person at
Soho Suites

Junior · No skills needed

First real steps in tech.

01

My First Steps

Mouse, keyboard, folders, learned through Microsoft Office and Canva.

Takes home: **a computer drawing**

02

Digital Postcards

A card for someone they love: picture, title, message.

Takes home: **a finished postcard**

03

Minecraft Education

A world of their own, brought to life with commands.

Takes home: **their coded world**

04

3D Design

A first 3D model in Tinkercad: a 3D Santa.

Takes home: **their 3D Santa**

01

3D Design

Objects designed on screen,
then made ready to print.
Takes home: a 3D-printed object

02

Python

First programs that draw,
repeat and make choices.
Takes home: a program of their own

03

Minecraft with Code

Code that moves things
and builds challenges.
Takes home: a challenge world

04

Cybersecurity

Strong passwords, privacy,
spotting scams.
Takes home: a safety checklist

Senior · Who knows how to use computer

From playing games to writing code.

Choose your shift.
